Objective

Dedicated and enthusiastic educator with 1.5 years experience seeking a teaching position where I can utilize my passion for fostering student in learning Java and data structures. Committed to creating a supportive and engaging learning environment that inspires curiosity, critical thinking, and academic growth in students. Eager to contribute my creativity, adaptability, and strong communication skills to the dynamic educational community of Chandigarh University.

Experience

- Chandigarh University**
26 June 2023 - 10 June 2023
Aptitude Trainer
Job role
 - *Delivered comprehensive aptitude training sessions to students, enhancing their problem solving and analytical skills.
 - *Developed and curated educational content for training programs and workshops.
 - *Troubleshooting and Debugging: Identifying and fixing bugs or issues in the software to ensure smooth operation.
 - *Collaborated with faculty and staff to design and implement effective training strategies.
 - *Assisted in the evaluation and assessment of student performance and provided constructive feedback.
- Self employed**
15 January 2024 -
 - * Conducted one on one and group tutoring sessions in subjects such as Java, Python, DBMS, data science, competitive programming, data structures and algorithms.
 - * Developed customized lesson plans and materials to meet the individual needs of student.
 - * Utilized various teaching methods to accomodate different learning styles.
 - * Successfully helped students improve their academic performance and achieve their learning goals.
